SAFETY DESIGNER

DESIGNED FOR THE CONSTRUCTION INDUSTRY

Specially designed for men and women working in the construction industry, these shoes have a very efficient outsole: shaped cleats, grooves for liquid and mud dispersement and raised heel.

	Color	Protection	Outsole	Upper
FLINT	Caramel	Steel	PU2D	Action leather
STONE	Dark brown	Composite	PU/TPU	Crazy horse leather
ROCK	Black	Composite	PU/Rubber	Full grain leather
