COMBINABLES

THE CONCEPT

A **multipurpose** concept, offering a multitude of combination options! It has been designed to adapt to seasonal conditions from autumn to spring, **offering complete protection for all weathers.**

- Zip compatible with
1. The shell (parka)
 2. The lining
 3. The fleece jacket

1

I CHOOSE MY PARKA

Outer parka with FR cotton lining and taped seams to fight against the rain

OR

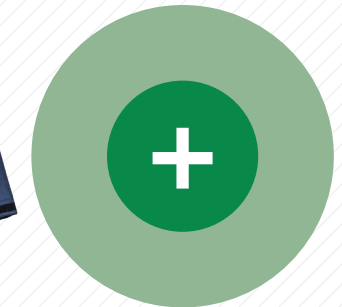

NOTT
5NOT16
HV FR Rain parka

DAGDA
5DAG120
FR Rain parka

2

I CHOOSE MY LINING

Fleece jacket to bring warmth and comfort

PIKKER
5PIK120
IFR fleece jacket

3

I GET A MULTITUDE OF POSSIBILITIES

Combine the parka with the fleece jacket and discover the comfort of a product that adapts to all climate hazards!

3 → 1

OR

3 → 1
